**RESPONSE TO NOTICE OF ALLOWANCE AND EXAMINER'S REASONS
FOR ALLOWANCE**

Sir/Madame:

In the Notice of Allowance mailed January 14, 2004 in the above identified application, claims 1-79 are allowed.

The Notice of Allowance includes an Examiner's Statement for Reasons of Allowance set forth on pages 2 and 3 of the Notice of Allowability. While Applicants agree that the prior art does not disclose limitations indicated in the Examiner's Statement for Reasons of Allowance, Applicants respectfully note that the specific limitations indicated by the Examiner do not necessarily correspond verbatim to the features recited in each of the independent claims. In particular, each of the independent claims distinguishes over the prior art based on the particular limitations recited in the claims, and is patentable on its own merits (in some cases, perhaps, for reasons other than those indicated in the Examiner's Statement for Reasons of Allowance).

Applicants also respectfully note that a Revocation of Prior Powers and New Power of Attorney was filed in this case on August 18, 2003 (a copy of which is attached

hereto). Applicants respectfully request that further correspondence in this application be mailed to their new representatives at the address indicated below.

If there are any questions concerning the foregoing, the Examiner is urged to contact the undersigned at the number listed below.

Respectfully submitted,

Ihor A. Lys, et al., Applicants
